Dear Mr. Mankiewicz,

Enclosed is an FBI record from Section 178 of its so-called John Kennedy assassination file. (#62-109060)

What you ar e quoted as saying in the third graf is what I've been saying in more detail for years.

I'm not going to rehash what I said before except to remind you that I questioned the professionalism of NPR's coverage of the House assassins committee.

In this connection I refer you to the fine words of the second graf.

And I remind you that because of inadequate covering "the naswers haven't been provided agin.

Sincerely,

Harold Weisberg
